

## PRESS RELEASE

### FALCK RENEWABLES GOES FROM THE FTSE ITALIA SMALL CAP TO THE FTSE ITALIA MID-CAP

### TONI VOLPE: IT IS AN IMPORTANT STEP THAT ADDS VISIBILITY WITH REGARD TO INSTITUTIONAL INVESTORS

**Milan, May 15, 2018.** Today, **Falck Renewables SpA** has disclosed the move from the FTSE Italia Small Cap Index to the FTSE Italia Mid Cap Index. FTSE Russell makes the announcement, following the changes made to the indices, with communication of May 10. *“It is an important step” - declares **Chief Executive Officer Toni Volpe** – “that ensures greater visibility toward institutional investors, as well as an entrance into the FTSE Italia PIR Mid Cap and FTSE Italia PIR Large & Mid Cap sub-indices”. “The move to the new index represents” – Toni Volpe continues – “an additional acknowledgment of the work carried out for the growth of the business and its evolution, confirming the business as one of the main points of reference in renewable industry production and services”.*
