

Falck Renewables included in the MIB ESG index by Euronext and Borsa Italiana

Milan, Italy, 18 October 2021 – Falck Renewables S.p.A. has been included in the MIB® ESG index launched today by Euronext and Borsa Italiana. This is the first ESG (Environmental, Social and Governance) index dedicated to Italian blue-chip companies. The index includes large Italian listed corporations that present best ESG practices in line with the principles of the UN Global Compact.

"Inclusion in the MIB ESG index is an important achievement for Falck Renewables and demonstrates our ongoing commitment to sustainability and the achievement of excellent ESG performance. We are aware of the importance of this work and are committed to continuing on a path of sustainable growth," commented Toni Volpe, CEO of Falck Renewables.

Falck Renewables S.p.A., listed on the Italian stock exchange in the STAR segment ("FKR.MI") and included in the FTSE Italia Mid Cap Index, develops, designs, builds and manages power production plants from renewable sources, with an installed capacity of 1,320 MW (1,283 MW according to the IFRS 11 reclassification) in the United Kingdom, Italy, United States, Spain, France, Norway and Sweden, using wind power, solar power, WtE and biomass technologies. The Group is a global player in the renewable energy technical advisory and asset management services business, through its wholly owned subsidiary Vector Renewables, providing asset management services to clients accounting for approximately 3,800 MW of installed capacity and with experience in more than 40 countries. Falck Renewables provides also highly specialized energy management and downstream services to both energy producers and consumers.
