

PRESS RELEASE

NEW APPOINTMENT IN FALCK RENEWABLES SPA: ANASTASIA TITOVA IS THE NEW HEAD OF HUMAN RESOURCES, ORGANIZATION & PEOPLE CARE

Milan, 13 September 2017- Falck Renewables SpA strengthens its team with the arrival of **Anastasia Titova**, new **Head of Human Resources, Organization & People Care**.

Born in Siberia, Russia in 1975, she graduated cum laude from the Siberian University of Kemerovo city in Linguistics and Literature in 1997 and in Economics and Finance in 2002. She completed the Master in Management and Economics of the Energy and Environment from Eni Corporate University in 2003; as well as the CIPD certification in HR and Development in 2005.

She started her professional career in 1997 in the oil&gas sector where she spent 10 years gaining HR and business experience with multinational companies such as Occidental Petroleum, Shell, Petrofac International on various projects in Russia.

She moved to the energy sector in 2007 joining Enel Group in Russia and participating in the acquisition and integration of the Russian business into Enel Group. She has worked for Enel for 10 years covering various HR managerial positions in renewable & conventional generation, distribution, corporate structures.

“Welcoming Anastasia” said Toni Volpe, CEO of Falck Renewables SpA “we wish her every success in her new job. At a time of major development such as the one our company is living, we are confident that her strong international experience and commitment will make a valuable contribution to our growth”.

Falck Renewables S.p.A. a Falck Group Company, listed in the STAR segment of the Italian Stock Exchange, develops, designs, builds and manages power production plants from renewable energy sources. Falck Renewables consolidates installed capacity of 858 MW in 2017 (821 MW according to the IFRS 11 reclassification) in Italy, United Kingdom, Spain, France, and produces more than 2 billion KWh of energy per year, generated by wind, solar, biomass, and waste-to-energy technologies.

Through its Madrid-based, wholly owned company Vector Cuatro, Falck Renewables delivers commercial and technical asset management, engineering, and M&A advisory services with a track record exceeding 1.7GW of solar and wind and presence in 24 Countries worldwide.
